İTKİBFUARCILIK

Integrated Management Systems Policy

As **İTKİB Fuarcılık A.Ş.**, we aim to be the most prestigious meeting point for the textile industry in our region, bringing together fair participants and visitors in the most innovative and effective way. We are continuously improving ourselves to help our customers leverage the power of technology, enhance their operational efficiency, strengthen their competitive edge, and ensure sustainable growth.

In line with this vision, **İTKİB Fuarcılık A.Ş.** is committed to delivering its services in compliance with national and international standards by adopting, implementing, and maintaining the following management systems:

- ISO 9001 Quality Management System
- ISO 27001 Information Security Management System

As **İTKİB Fuarcılık A.Ş.**, we are committed to:

- Regularly reviewing the risks to our information assets and taking necessary actions to improve information security,
- Ensuring that the IT services we provide to internal and external customers are reliable, consistent, high-quality, and based on the principle of continuous improvement, at cost-effective rates,
- Maintaining business continuity with our strong infrastructure to offer uninterrupted service to our customers,
- Increasing overall customer satisfaction for all our clients,
- Continuously supporting the personal and professional development of our employees, offering a rewarding and fair working environment, and enhancing employee satisfaction,
- Continuously improving our management systems,
- Complying with applicable national and international legislation and other relevant requirements.
